

Prayer

REV. SUSAN C. JOHNSON - NATIONAL BISHOP, ELCIC

God of the harvest, God of abundance,

As we celebrate and give thanks
for the plenty we receive,
we remember World Food Day
and the many people who live with scarcity.

We pray for those who are food-insecure
with not enough or even no food to eat.

We pray for the areas of drought and famine,
we pray for those affected by war –
help us provide generous responses
to all who are hungry this day and every day.

Help us to follow Jesus' command
to feed the hungry.

We pray in your lifegiving name.

Amen.
